

Welcome to Pêle-Mêle!

Pêle-Mêle is French for “all in a tumble” or “mixed”. For us this translates into a fusion of various cultural influences and culinary preferences. We love to combine things and create something new, not only foodwise.

We see Pêle-Mêle as a platform for cultural exchange through events like readings, exhibitions and concerts or through our separate CoWorking space that we rent out.

Delicious food and a feel-good atmosphere are our basis. All our treats are homemade with lots of love. The ingredients we use are selected to be fair & sustainable. And everything we offer is, of course, VEGAN.

Right now we do not have an organic certification because this creates additional costs. Most of our carefully selected goods are purchased at Terra Naturkost Handels KG and Beumer & Lutum.
